

**Kelly's Motorsports Park
3225 Harloff Road
Batavia, NY 14020**

**Beginners School
Saturday, April 12, 2025
9am-5pm**

Are you new to karting and not sure where to begin? Kelly's Motorsports Park will host a Beginners School on Saturday, April 12, 2025. The school will be open to everyone wanting to learn what's new or simply a refresher before the season begins. Track time during the school will **only be open to NEW drivers**. You must also have your own kart and gear. The track will open at 9 AM. Throughout the day you will learn everything from signing in at Registration, what to expect on a race day, track and driver safety, kart maintenance, flag meanings, going on a track walk and even getting some track time. Seat time is the most important thing for new drivers! Please dress for the weather as it can still be chilly in April!

Beginner School Fees: \$55 for any driver, \$15 for a non-driver pit pass. All minors (& Parents) must sign the Parental Minor Consent Form at Registration, along with all other sign-in sheets.

[Pre-Register Here](#) if you plan on attending. That way we know how many to expect and we will be able to update you on any changes.

Plan on bringing your kart, safety gear, and tools! We do have drinks and some snacks available for sale in our Registration building otherwise plan on bringing what you need for the day. Our schedule and rulebook are online at [Kelly's Motorsports Park](#). As always you can email us at kellysmotorsportspark@gmail.com if you have any questions.

Anyone that does not have their own kart we will be having a driving school where you can try a kart before going and investing in one. More information will be available soon.
