

We are excited to announce that sponsorship opportunities are now open for the **2026 season at Kelly's Motorsports Park!** As we continue to grow and provide an exceptional racing experience for drivers, families, and fans, we would be honored to partner with local businesses like yours to make the upcoming season our best yet.

This year, we're offering a special perk—**all sponsors who sign up by the end of March will have their business logo featured on our 2026 staff shirts!** This is an excellent opportunity for ongoing visibility throughout the racing season. We are also offering **50% off your second year** of sponsorship if you sign up by the end of March as well!

Sponsorship levels range from \$150 to \$1,000, depending on the amount of visibility you're looking for. If you have a different idea or a custom option in mind, feel free to reach out. I'm genuinely excited about the chance to collaborate with you!
